ART TREK

SPRING
2021

Day Trekking - Future learning

We have waited patiently for our Art Classes to Start-Up again. How wonderful it feels to be Alive and Able to live a hopeful life and plan for the future. We are very fortunate that our members share their creative endeavors and make these classes work for us.

With herd immunity underway, we look forward to a safe reopening hosting Spring Art Classes; by maintaining a maximum capacity of ten persons in the Store. Our intensions are to host classes of six plus the teacher which allows us to keep our doors open to the public. This way we will continue with Social Distancing, Hand Sanitizing and Mandatory Masks until Health Officials indicate differently. It is very important that we sign-up with a phone number for classes should there be a situation where contact tracing is required.

We continue to promote art and culture into the fabric of our community by extending some classes to include Saturdays. Please check the supply list required for each class and sign up early so you are not disappointed, classes start at 10:00 AM.

*"Do something Creative Every Day- Every child is an artist.
The problem is how to remain an artist once we grow up."*
