ART TREK

SUMMER 2021

Day Trekking - Future learning

It is time to play, have some fun and pursue creativity.

As Herd Immunity Kicks-in for Covid 19, we can get back to small gatherings. At the Art Centre, we are ready to host art classes with limited class size in July. We will practice social distancing, wearing masks or face covering and continue to sanitize where possible.

Our classes in different mediums help you gather skills and build a repertoire of techniques.

When you find your favorite discipline, go to your menu of techniques and play. Open the door to create, mix it up and let yourself be inspired.

Classes:

Sign-up for posted classes to ensure you have a seat under the covid 19 guidelines. Should you need to cancel, please call the first person on the wait list. This practice will ensure all members have an opportunity to gather with like-minded artists.

Monday classes start at 10:00 am. As wait lists develop, we will look at adding an additional class. Supply lists and/or cost of supplies provided are attached to the sign-up sheets.

There is a user fee of \$5 for our society for members and a \$10 user fee for non-members. The user fees help sustain class instruction.
